Please complete these steps at least 2 days before the hands-on lecture as it might take some time to get your promo code delivered and activated.

Register **with your SoC or NUS email**. I registered with my u.nus.edu address and it was successful.

Complete the next steps until you finish registration. You will be sent an email and will be asked to verify the email address.

Step3:

Sign in to https://ibm.onthehub.com with your newly registered email.

Step4:

Then click on "IBM Bluemix Promo Code - 6 Month Trial - Cloud Access"

Add to cart and proceed with the checkout. You **do not need to pay anything** if your academic account registration is successful.

Step5:

After the checkout, you will get a promo code. **Note down the promo code and keep it secure.** We will apply the promo code during the hands-on session to extend the trial period of IBM Bluemix account.
